LAVERTON CATHOLIC EDUCATION COMMUNITY

PARISH ENROLMENT POLICY

PREAMBLE

The Parish of Laverton is unique in that it currently has five Catholic primary schools located within the parish boundary. The Parish is in a major growth corridor in the Western suburbs of Melbourne. This means that Catholic families may not be able to attend the Catholic school of their first choice.

To ensure that every effort is made to support the enrolment of baptised Catholic children into our parish primary schools, Application for Enrolment into Prep will be undertaken through a central Parish Enrolment process.

GUIDING PRINCIPLES

This central Parish Enrolment Policy has been developed with the following principles in mind:

- Catholic education is intrinsic to the mission of the Church. It is one means by which the Church fulfils its role in assisting people to discover and embrace the fullness of life in Christ.
- All Catholic schools in our Parish offer a broad, comprehensive curriculum imbued with an authentic Catholic understanding of Christ and his teaching, as well as a lived appreciation of membership of the Catholic Church.
- The Parish of Laverton is in a major growth corridor in the western suburbs. New families move into the area on a weekly basis.
- The Parish of Laverton is unique, in that it has five Catholic primary schools located within the Parish boundary.
- Every baptised Catholic child living in the Parish of Laverton is entitled to a place in a Catholic school within the parish.
- At times, there may not be enrolment places available at the school of first choice.

DEFINITIONS

School Catchment Area

The school catchment area is the parish or group of parishes, as defined by the Catholic Education Office Melbourne (CEOM), from which the school draws the majority of its enrolments and to which the school gives priority of enrolment. For the majority of primary schools this will be the parish to which the school belongs. In those parishes with more than one primary school, the catchment for each school is determined by the parish in consultation with the CEOM.

CEOM Enrolment Policy 2009

Parish Enrolment Committee

A committee comprising the Primary School Principals, or their nominees, and the Parish Priest, (where appropriate), who meet and consider enrolment issues in the Parish and applications for consideration of special circumstances.

ENROLMENT CRITERIA

Due to the large number of baptised Catholic children applying for enrolment in the Parish, enrolment applications will be dealt with according to the following priority order:

First Intake:

- Baptised Catholic children resident in the designated zone/catchment area of the Laverton Parish.
- Brothers and sisters of currently enrolled students in the school

Second Intake:

- Baptised Catholic children resident in other parishes (special circumstances only).

Third Intake:

- Baptised children from Christian religions which share a special relationship with the history and traditions of the Catholic Church.

Fourth Intake:

- Non-Catholic children (providing acceptance of enrolment is consistent with the limits approved by the Archbishop of Melbourne. CEOM Policy 2.3. Clauses 3.4, 3.6)

The Parish Priest, as manager of all five Parish schools, reserves the right of veto over the criteria for enrolment, in consultation with the Parish Enrolment Committee.

PROCEDURE FOR CONSIDERATION OF EXCEPTIONAL CIRCUMSTANCES

Where a family is moving from one residence to another within the parish but who wish to remain at their current school:

- The family should inform their current school of their intention to remain at the school.
- In most cases, as long as another Catholic family is not being disadvantaged by the request, the family will be advised of their ability to remain and complete their Catholic schooling.

Where a family is moving from one residence to another within the parish and wishes to transfer their child to the Catholic school closest to their new residential address:

- A letter should be written to the Catholic Primary School where they are currently enrolled.
- The letter should state the reason for the transfer request, as well as confirmation of the new residential address.
- The Principal will present the letter at the next meeting of the Parish Enrolment Committee.
- The decision on the outcome of the enrolment request will be relayed to the applicant family by the Principal of the school where the child is currently enrolled. In most cases, as long as another Catholic family is not being disadvantaged by the request, the family will be advised of their ability to transfer the new Catholic school.
- Normal enrolment procedures for the new school would follow in due course.

Where a family, for family or other reasons, seeks consideration for a child to be enrolled in another Parish school, not close to their current residential address:

- A letter should be written to the current Catholic Primary School closest to their residential address.
- The letter should state the reason for the transfer request.
- The Principal will present the letter at the next meeting of the Parish Enrolment Committee.
- The decision on the outcome of the enrolment request will be relayed to the applicant family by the Principal of the school where the child is currently enrolled.

ENROLMENT ENQUIRY TO THE PARISH PRIEST

Any enrolment enquiries made directly to the Parish Priest will be re-directed to the school nearest to the residential address. These enquiries will be processed using the same procedure as above.
