

Fundraising Co-ordinator Report 2016

Firstly, thank you to everyone who has organised, assisted in organising or volunteered to help at a fundraising event this year. Obviously without this commitment from parents and friends these events would not occur.

This year we ran nine fundraising events raising over \$16,000, which is a fantastic result. We ran two in Term 1, three in Term 2 and Term 3 and one in Term 4. It has reduced the pressure on P&F not running a second fundraiser in Term 4 and frees up resources to assist in non-fundraising activities.

- Three of the events are 'must do' activities due to the service they provide our Community. They definitely raise funds for P&F but that is not the main reason they are run yearly:
 - Hot cross buns for Easter
 - Mother's Day stall
 - Father's Day stall
- There was one new event in 2016
 - Tony's Pie Drive - it made some money but was successful due to the service it provided. I think it should be run again in 2017 and from the feedback received I believe there will be an increase in orders the second time around. This is an event that could be run twice in a year if there is the interest.
- We have reapplied to run a Bunnings Altona BBQ in 2017 and await the date. This is a great fundraiser as it collects funds from outside our school community.
- The other four events have been run before. They should be reviewed and a decision made on whether to repeat them, alter them at all or whether to try something new in 2017:
 - School raffle
 - Trivia Night
 - Disco
 - Walk-a-thon

There are always plenty of fundraising ideas. It just comes down to assessing what will work for our Community, the effort involved versus potential profit and having a volunteer to run it.

Thank you to everyone who has supported me in the co-ordinator role the last two years, it is much appreciated.
