

School Rules

The second school rule is to keep your hands, feet and objects to yourself.

Here's an example why you should keep your hands and feet to yourself.

One day, at queen of peace there were two kids playing basketball

Ouch!

Until the girl threw the ball at the boys head.

Don't do that

Then the boy threw the ball at the girls head

Ouch! No!

And they started fighting

And really hurt themselves and had to go to the doctor

That's why you should keep your hands feet and objects to yourselves

Remember to keep your hands and feet to yourselves kids.

So you don't get hurt
